14-22 May	Scillies Cruise	Enjoy the islands before the French appear. A weather dependent cruise, we can always turn left instead of right if necessary.

04-05 June	AHAB (Around the Helford and Back)	Follow the AZAB start on Saturday morning with a cruise to Helford and a meal and activities ashore HW 20.51
11-19 June	Channel Islands Cruise	A cruise to Guernsey and other islands in its Bailiwick. Again, a weather dependent cruise, we can always turn right...
18-19 June	Turnaware	The Turnaware BBQ and the Falmouth Sea Shanty Festival coincide this weekend, making a local cruise attractive. Details to be worked up as yet, but note the dates for your diaries.
25-26 June	Helford Race Weekend	An opportunity for non-racers to cruise to the Helford with a meal ashore. On Sunday watch the Helford Race finish and join the racers for a BBQ on the beach.
02-09 July	Scillies Cruise 2	A further chance to visit the islands with the club. A cruise to the east could be offered if the weather dictates this is the best use of time.
09-10 July	Up the creek	A Cruise up the Creek. Work up an appetite with an exploration of the river by dingy before taking dinner at the Smugglers Cottage, Tolverne. BBQ lunch at Roundwood Quay on Sunday*.
16-17 July	A night in Falmouth	By special request. Anchor or take moorings in Falmouth and then dinghy ashore to eat. You will be well placed to reach the start line for the Bay Race on Sunday morning.
23-24 July	A night in Falmouth (2)	An alternative for the above if the weather was foul the previous weekend, or a repeat if the original was successful. St Mawes could be an alternative venue. The Five Creeks Race awaits on the Sunday...
15-21 August	Plymouth and the Fireworks	Leave the crowds in Fowey. Take the opportunity to cruise in the Plymouth/Yealm area and also witness the famous firework competition.
27-29 August	The Newlyn Festival	Join the racers in Newlyn for meals and activities ashore. The Newlyn Fish Festival is on the Monday.
17-18 September	Fowey Final Fling	The club's traditional celebration of the cruising season as it approaches its conclusion.
